2023

The London Teach Computing Hubs are pleased to announce that for the first time since 2020 we are holding a face to face conference to celebrate everything we love about our wonderful subject.

Date: 25th February 2023

Time: 9am-4pm

Venue: Gladesmore Community School, Tottenham

Confirmed speakers so far:

- Jane Waite - Raspberry Pi Computing Education Research Centre
- Phil Bagge - Hampshire Inspection and Advisory Service and code-it.co.uk
- Alan Harrison - Author and Educator
- Elli Narewska - Guardian Foundation

There will also be range of primary & secondary workshops.
