MASTERING MATHS SUMMER CONFERENCE ***Friday 7th June, University of Hertfordshire***

The Matrix Maths Hub is excited to announce this **FREE** event for Teachers of Maths and Head Teachers from Early Years through to FE.

Join us for a thought provoking day as we discuss the *Mastery* approach and its success nationally!

We are delighted to be welcoming two prestigious keynote speakers:
Dr Debbie Morgan, CBE: Director for Primary Mathematics, NCETM
Sue Johnston-Wilder: Author, Lecturer and Associate Professor of Maths Education.

We will also be running a number of workshops suitable for Primary, Secondary, Special Schools and Head Teachers.

If you are not yet familiar with the *Mastery* principles come and have a chat to those who are!

For more details and to book your place at the *Mastering Maths Summer Conference*, please [CLICK HERE](#)

This event is open to Teachers of Maths and Head Teachers of all State Schools in Hertfordshire and Harlow.
