COME AND WORK WITH US!

PROFESSIONAL DEVELOPMENT LEAD PROGRAMME

**Are you a maths teacher or Head of Department with a unique approach to problem solving and engaging your students?
Do you have a passion for professional development?**

We are looking for outstanding maths practitioners who lead the teaching of maths in their school to join our fully funded 1 year **NCETM Professional Development Lead Programme.**

Upon successful completion of the programme you will have the opportunity to become a Work Group Lead for the Matrix Maths Hub!

SCHOOL DEVELOPMENT LEAD PROGRAMME

Would you like to work with Maths Leads and SLT's in other schools to improve their maths departments? Are you already a PD Lead?

If you have already completed the NCETM PD Lead Programme and are passionate about developing maths departments in other schools, you are ideally placed to join our fully funded 1 year **NCETM School Development Lead Programme.**

After completing this programme, we work together with SD Leads to find them the school or schools that are right for them.
