

NEW VISION ENGLISH HUB SUPPORT FOR SECONDARY SCHOOLS

REMOTE BRIEFING

Vicky Wright, Hub Lead for New Vision English Hub, invites you to a short remote briefing to share new DfE updates regarding English Hub support for secondary schools.

Following the success of English Hub primary school support, the programme is being extended to secondary schools. This new phase focuses on supporting pupils in KS3 who are working below the national reading standard, ensuring they quickly gain the literacy skills needed to thrive in secondary education.

We welcome headteachers and reading leaders in North East London and Essex to find out more about our offer of:

- An audit of the school's KS3 reading provision.
- In-school, bespoke Literacy Specialist support.
- Funding to support the purchase of resources and training.

Remote briefings are scheduled to take place on the following dates:
