

## SECONDARY TEACHING FOR MASTERY AT A GLANCE (THURSDAY DROP-IN SESSIONS)

The Matrix Maths Hub are pleased to offer four Thursday 30 minute online drop-in sessions from 4pm – 4:30pm to provide a brief introduction into developing a mastery approach in your own practice and your department with a focus on:

- ✓ Session 1 – **COHERENCY** ([register here](#))

Thursday 24<sup>th</sup> February 2022

- ✓ Session 2 – **VARIATION** ([register here](#))

\*Re-arranged date\*

Thursday 31<sup>st</sup> March 2022

- ✓ Session 3 – **REPRESENTATION** ([register here](#))

Thursday 21<sup>st</sup> April 2022

Session 4 – **FLUENCY AND MATHEMATICAL THINKING** ([register here](#))

Thursday 19<sup>th</sup> May 2022

*(Feedback from a few of our Secondary Mastery Advocates on applying mastery within their schools)*

“Firstly, let me thank you for great session this morning, it gave us ideas and inspiration on how to achieve mastery in maths!”

(Maths Lead, Potters Bar)

“The impact on learning was immediate and measurable. I have begun developing mastery in my team. They love it!”

(Maths Lead, Royston)

“Through this Mastery Programme our year 8 cohorts use of mathematical language is far superior to many of our KS4 pupils of similar ability. It is definitely a Work Group that we would recommend.”

(Maths Lead, Borehamwood)
