

# Primary School Opportunities 2022/23

**Working together to create an indispensable community for maths staff through collaboration and high-quality training.**

**Create transformative leadership and culture that promotes a mastery approach to primary mathematics teaching and learning.**

**Embed a Teaching for Mastery approach across the school.**

**All Work Groups are free to attend, with Development and Embedding offering additional funding grants for schools.**

**Develop teachers' mathematical and pedagogical knowledge of a mastery approach in the primary classroom.**

**Secure a whole school approach to sustained change in mathematics.**

**Deepen subject knowledge in the teaching and learning of primary mathematics for:**

- EYFS Teachers
- KS1/2 Teachers
- TAs
- Early Career Teachers

**Develop a consistent approach for Key Stage 2 and 3 teaching.**

**Secure firm foundations in additive relationships and the development of good number sense for all children from Reception through to Year 1**
