

KEY STAGE 2 READING SUPPORT

New Vision English Hub is one of 34 English Hubs nationwide, funded by the Department for Education to support schools with their reading and early language provision.

We are delighted to announce that we are now able to support primary schools in North East London and Essex with their Key Stage 2 reading provision.

There are two strands of support we can offer:

- Word Reading - supporting schools to use their SSP programme into KS2 for children who have gaps in their phonic code.
- Fluency - supporting schools to implement strategies ensuring all children become fluent readers.

Our offer includes:

- A detailed in-school audit of KS2 reading provision.
- An opportunity to become a New Vision English Hub Partner School and receive up to 9 days of bespoke Literacy Specialist support across 2 years.
- Up to £6,000 financial support to invest in fluency training and resources.
- Access to a range of fully funded CPD.
