

WHY CHOOSE AN NPQ?

The content covered within the Early Years Leadership programme was interesting to me, and I was keen to take advantage of the funding available to nurseries through the DfE scholarship.

IMPACT

- Some of the learning was new to me, but there was also a lot of opportunity to refresh and review prior knowledge and practices.
- One of the biggest impacts as a result of the course is that I have developed my personal leadership and people management skills.

BENEFITS

1. Strategic Problem Solving

The course has supported me to think of different ways to approach a problem and challenges within my setting.

2. Building Confidence

Engaging in an NPQ has enabled me to deal with issues we face in a more professional way.
