

Online Mentor Conference

Wednesday 24th February 2021 - 4.00pm to 5.30pm

The Chafford Hundred Teaching School Hub and the Saffron Teaching School Hub are hosting a **free online** Mentor Conference on Wednesday 24th February.

We are delighted to have **two keynote speakers**; **Sam Twiselton- OBE**, will speak about ensuring progression across the frameworks (ITT, ECT, ECF and beyond).

Our second **Keynote Speaker: Professor Caroline Daly** from UCL, Institute of Education, will speak about effective mentoring approaches to ensure deep learning for both mentor & mentee.

She will also look at challenging expert and novice assumptions about mentoring. You can see some of Caroline's research on mentoring here: https://www.researchgate.net/profile/Caroline_Daly6.

There will also be a range of other topics such as:

- **Trauma Practice in Covid Times**
- **Best Practice on How to Get the Most Out of the Mentor Meeting**
- **The Big Picture: Mentoring from ITT to ECF**

We hope this event will provide support to all staff who are mentoring in schools at the moment. It is a great opportunity to hear from experts in this field and to ask them questions about how to develop in your role.

If you are interested in attending this event you can [register by clicking here](#). For any questions you can email: TShub@harrischaffordhundred.org.uk
