

Saffron
Teaching School Hub

Supporting practitioner
development in the
Early Years

'Teaching School Hubs will be school-led centres of excellence for teacher and leadership training and development.'

The Saffron Teaching School Hub was designated by the DfE in 2020 with a remit to provide support to schools and settings in the Local Authority Districts of Braintree, Chelmsford, Epping Forest, Harlow and Uttlesford. We would like to invite all Early Years providers in the Hub region to attend our latest online seminars, provided at **NO COST** to settings.

Each seminar will include input on a focused topic and a practitioner case study. There will also be the opportunity to network with colleagues, raise questions and suggest topics for future seminars.
