

Supporting practitioner development in the Early Years

'Teaching School Hubs will be school-led centres of excellence for teacher and leadership training and development.'

Saffron Teaching School Hub was designated by the DfE in 2020 with a remit to provide support to schools and settings in the Local Authority Districts of Braintree, Chelmsford, Epping Forest, Harlow and Uttlesford.

We would like to invite all **Early Years providers** in the Hub region to attend our latest online seminar, provided at **no cost** to settings.

Our Early Years seminars will include input on a focused topic and a practitioner case study. There will also be the opportunity to network with colleagues, raise questions and suggest topics for future seminars.

Spring Term Early Years seminar Tuesday 7 March 2023 5:00-6:00pm

Programme:

Latest news from the sector
Communication and Language development – latest research
Practitioner case study: cognitive development in the early years
