

Subsidised

£100 subsidies available for eligible schools

(Subsidies will be paid to your school on completion of the evaluation, after attendance.)

For details contact stem@herts.ac.uk

Are you a teacher or a teaching assistant who would love to teach more of your science lessons outdoors?

Do you need support, inspiration and ideas?

At the unique wetlands at RSPB Rye Meads, you will explore how science, and in particular biology, can be taught across the primary curriculum. You will have the opportunity to take part in a wide range of primary science activities outdoors and will take away a wealth of ideas and inspiration on how you can recreate these practical ideas in your own school's outdoor space.

Location: RSPB Rye Meads, Stanstead Abbots, Hertfordshire SG12 8JS

Date: Friday 28th April 2023

Time: 9:30 – 3:30

Booking link: <https://www.stem.org.uk/cpd/520659/rspb-developing-working-scientifically-outside-classroom>
